

Chairman's Report

Well I think that this year we have had another successful year as a club. We have about 180 members at the moment and run at least 2 clinics a week along with winter talks and other clinics during the summer. There are moves afoot for some more training to be held too.

We had a lot of members go to championships this year so well done to all of them as it can be quite a hair-raising experience but it is the pinnacle of being a member of riding clubs.

This is the last time that I will write as Chair as we now have a new committee structure with Trish Bridge as Chair so you can send all your queries to her at trishmbridge@aol.com. I also take this opportunity to welcome back Heather Tate who has been a previous chair. We also have some new blood on the committee being Val Fisher, Ellen Smith and Libby Breeze so welcome to them.

I am now standing down from the committee as we have a full complement of 12 and I have other avenues to pursue that will take up my time. I have enjoyed being on the committee and I hope that I have made a little difference.

I think that riding club is a brilliant place to start and/or get back into riding and competing (if that is what you want!). The spirit of riding club is something that should not be lost.

I hope that you all have a great Christmas and New Year and get all that you want to out of your horses and the club next year.

Deena Webster
