

EVENING TALK @ DEMO

Raising money for the Cavalier Centre RDA group

Where: The Cavalier Centre
Bradley Farm
Much Wenlock. TF13 6PR

When: Friday 25th October
6:30-9:30pm

Cost: £2 donation on the door , to include hot/cold drink & cake at the interval

OPEN TO ALL: Members and non members are welcome to spend the evening at the Cavalier Centre's magnificent new facilities. The talks will be in their comfortable meeting room and the imaging demo in the indoor arena.

EVENING AGENDA:

18:30 Arrive and refreshments

19:00 SyncEquine Talk & Demonstration by Gemma Monk-Hartley
SyncEquine provide non-invasive, sedation free clinical standard physiological imaging (otherwise known as thermal imaging) to vets and clients. Gemma will talk through a clinical standard thermal imaging service and how it can be used to assist lameness investigations, changes in behaviour or performance, monitor treatment and rehabilitation. She will present real case stories and demonstrate the types of scans on an RDA horse in the indoor arena. *Discounts offered for bookings.*

20:00 Break with hot/cold drinks and cakes—included in your donation

20:30 Farriery Talk by Matt Jones, Master Farrier from Sun Forge Farriery

Matt will give an interesting and insightful talk about the history of shoeing horses, and cover topics such as studding, Matt welcomes questions from the audience for discussion on the night.

PLEASE RSVP TO THEA ROBERTS VIA FACEBOOK MESSENGER OR EMAIL TO chairman@shrewsburyridingclub.co.uk. WE HOPE THAT YOU CAN SUPPORT THIS SOCIAL, INTERESTING & FUNDRAISING EVENING & LOOK FORWARD TO SEEING YOU
