

From October 1st British Riding Clubs will be returning to the 6 month vaccination rule. Please note that it is now also law in England for all horses to be micro chipped, even if they are not competing. If you wish to compete at any BRC Area 20 qualifiers then you must adhere to both of these rules.

Subject to any changes to Covid-19 rules and regulations, the Novice Show Jumping Qualifier is scheduled to take place on Sunday 22nd November at Southview. Details will be confirmed as soon as a schedule is published but there should be classes at 70cm and 80cm for both teams and individuals.

The Intermediate qualifier is scheduled for the following weekend, 29th November, at Kelsall. This should have 90cm, 100cm and 110cm classes, again for teams and individuals.

If you are interested in representing the club at either event then please get in touch with Carol Hughes, the SJ Chef d'Equipe.
